MASTER FLUENCY

If you are not fluent then you are not learning with efficiency. With Rosetta Stone it is our goal to help you achieve fluency in your new language.

COURSE FEATURES

Broad Lesson-Plan: Progress through the organized and detailed lesson-plan to learn a new language.

Extended Learning:

Stories – Acquire new vocabulary by reading stories as they were meant to be read: in their own language.

Phrasebook – Get easy-to-understand greetings, phrases, expressions, and more

Audio Companion – Conveniently listen and learn offline with downloadable Audio Companion® lessons.

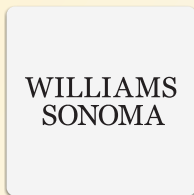

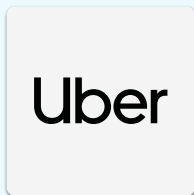

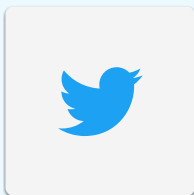

TruAccent®

Start fine-tuning your pronunciation from the very first lesson with our patented **TruAccent** speech-recognition engine. Drawing from 25 years of experience, the linguists and product developers at Rosetta Stone found that no program on the market sufficiently addressed accents.

TruAccent® can be adjusted for your needs. Every lesson, every step. Speaking authentically is at the heart of the Rosetta Stone method.
